Dear Mr. Krishnaswami Aiyar,

I have your letter dated the 12th instant and the enclosed printed manifesto. I need hardly tell you that the matter of the manifesto has my warmest sympathy. That the Pandit deserves all the honour that we can do is beyond question. If I only had it in my power I should vote a Kanakabhisheka for him. Not having the means, of course, I can only do it by wish. If I did not write immediately in response to the circulars and paper notification, it is because I am not in a position to subscribe something which would be worth parading, nor do I think of putting myself forward, as I knew perfectly well it is in very much better hands. ~~He~~ I did not wish to put myself unnecessarily forward lest I should damage a good cause. I shall be glad to do what I can to help forward the movement otherwise. With the influential support that it seems to have already, my assistance would be but little, and that little I shall be glad to do.

Yours sincerely,
S. Krishnaswami Aiyangar
